

**WESTERN LAW ORIENTATION WEEK SCHEDULE**

**GROUP I**

**Notes:** Zoom meeting or webinar invitations will be sent to you separately via email to your UWO account 1-2 days before the events. It is your responsibility to keep track of those invitations in order to gain access to the meetings/webinars. If you wish to use space in the law building for these online sessions (which is entirely optional), rooms have been reserved for each small group and your room assignment is noted in this schedule. For both in-person and Zoom meetings, it is critical that you arrive at your destination on time - or log in, as the case may be - as there is no margin to start sessions late. However, please do not arrive or log in earlier than 15 minutes before the scheduled start.
